Subject: RE: Additional Information on IIJA and IRA

Clarifying the compound sentence in the original message.

Consistent with Court Order, obligations and disbursements to carry out all necessary work can proceed for:

- federal financial assistance;
- Superfund;
- and the accounts (originally) attached.

Note that thousands of accounts are involved and this is a manual process.

Subject: Additional Information on IIJA and IRA
Importance: High

This message provides additional detail to the attached message from the Acting Chief Financial Officer.

Consistent with Court Order, obligations and disbursements to carry out all necessary work can proceed for all federal financial assistance, including cooperative assistance agreements, all Superfund, and the accounts attached.

We will continue to keep the community updated as we implement Orders. Please note that effectuation in agency systems is occurring and requires sequencing.

Please share this information within EPA as necessary to execute.

Good morning, GMOs,

OCFO has just provided a list of all Superfund, Brownfields, and SRF IIJA and IRA grants that have been unrestricted in ASAP. As additional unrestricting occurs, I will share new lists with you.

As always, please contact me should you have any additional questions.

Thanks,

Melissa Wise

OMB Project Description

Funding from this agreement is for Long Term Remedial Action activities that the State of Colorado will manage and oversee. The purpose of this agreement is for a capitalization grant which provides funds for the recipient's Clean Water State Revolving Fund program.

This agreement is to fund the State of Alaska's Water Quality Management Planning program to improve impaired water bodies.

This agreement is to fund the State of Arkansas' Water Quality Management Planning program to improve impaired water bodies.

This grant provides funding for the Nebraska Department of Environment and Energy's (NDEE) Water Quality Plan.

This agreement supports planning, development, and implementation of environmental management and protection standards.

This award includes funding for the implementation of American Samoa EPA's Consolidated Environmental Management Plan.

The work and objective of the EPA Consolidated Environmental Management and Protection Grant to the Commonwealth of Massachusetts.

This action approves an award in the amount of \$111,111 to the University of North Carolina at Chapel Hill's Environmental Science and Engineering Program.

This Agreement will allow the Illinois Environmental Protection Agency (IEPA) to continue to perform work associated with EPA's CERCLA Section 128(a) grant program funds activities that establish or enhance the capacity of state and tribal response programs.

The remedial activities include the State and County providing health education and voluntary institutional control programs.

The purpose of this project is to help build the Tribe's capacity to assess air quality conditions and to develop strategies to address them.

The agreement provides funding under the Inflation Reduction Act (IRA) to the Wyoming Department of Environmental Quality's Comprehensive Environmental Response, Compensation and Liability Act (CERCLA) Section 128(a) grant program funds.

EPA's CERCLA Section 128(a) grant program funds activities that establish or enhance the capacity of state and tribal response programs.

This Infrastructure Investment and Jobs Act (IIJA) (PL 117-58), (commonly referred to as the Bipartisan Infrastructure Law) provides funding under the EPA's Comprehensive Environmental Response Compensation Liability Act (CERCLA) Section 128(a) grant program funds.

This agreement is to fund the State of Vermont's Water Quality Management Planning program to improve impaired water bodies.

This assistance agreement provides full federal funding in the amount of \$6,137,185. This project will involve construction of a new wastewater treatment plant.

This agreement provides funding under the Inflation Reduction Act (IRA) to the Wyoming Department of Environmental Quality's Environmental Finance Center award will provide multi-media environmental finance expertise and technical assistance.

This agreement is supported by funding provided under the Infrastructure Investment and Jobs Act (IIJA) (PL 117-58), (commonly referred to as the Bipartisan Infrastructure Law).

EPA's CERCLA Section 128(a) grant program funds activities that establish or enhance the capacity of state and tribal response programs.

This agreement provides funding under the Inflation Reduction Act (IRA) to the Swinomish Indian Tribal Community (SITC) to support their water quality management planning efforts.

This project will determine the nature, extent, and causes of point and nonpoint source water pollution.

This action provides funds in the amount of \$35,889 in funding under the Inflation Reduction Act (IRA) to Pinellas County, Florida, for the Pinellas Bayfront Park Water Quality Management Plan.

This action approves an award in the amount of \$63,478 to the Chattanooga-Hamilton County Air Pollution Control Board.

The agreement provides funding under Inflation Reduction Act to conduct ambient air monitoring of pollutants of greatest concern.

This agreement provides funding under the Inflation Reduction Act (IRA) to Hamilton County. The purpose of this grant is to support the Hamilton County Water Quality Management Plan.

This agreement funds the recipient's program to conduct the Remedial Action at the Grants Chlorinated Solvents Plume Site.

This agreement is to fund the State of Washington's Water Quality Management Planning program to improve impaired water bodies.

This action approves an award in the amount of \$46,214 to provide funding under the Clean Air Act (CAA) Grants under the Inflation Reduction Act.

The purpose of this agreement is for a capitalization grant, funded by the Infrastructure Investment and Jobs Act (IIJA) (PL 117-58), (commonly referred to as the Bipartisan Infrastructure Law).

The purpose of this agreement is for a capitalization grant, funded by the Infrastructure Investment and Jobs Act (IIJA) (PL 117-58), (commonly referred to as the Bipartisan Infrastructure Law).

The purpose of this agreement is for a capitalization grant which provides funds for the recipient's Clean Water State Revolving Fund program.

The purpose of this Inflation Reduction Act funded cooperative agreement is to relocate Santee Sioux Nation's CastNET, Inc. air monitoring equipment.

This agreement provides funding under the Inflation Reduction Act (IRA) to County of San Diego - Air Pollution Control District.

This agreement provides funding under the Inflation Reduction Act (IRA) to Clark County Department of Environment and Natural Resources.

This agreement provides funding under the Inflation Reduction Act (IRA) to Maricopa County Air Quality Department (MCAD).

This agreement provides funding under the Inflation Reduction Act (IRA) to Santa Barbara County Air Pollution Control District.

This agreement provides funding under the Inflation Reduction Act (IRA) to Monterey Bay Unified Air Pollution Control District.

This agreement provides funding under the Inflation Reduction Act (IRA) to Washoe County Health District, Air Quality Management.

This agreement provides funding under the Inflation Reduction Act (IRA) to the Utah Department of Environmental Quality.

This action approves funding in the amount of \$41,450 to Orange County Florida, under the Inflation Reduction Act (IRA).

This agreement funds the recipient's program to conduct health education and voluntary institutional control program as The Pesticide Behavior Change (PBC) project is Phase II of the Pesticide Reduction Outreach (PRO) Campaign. This project provides funding to Oklahoma Department of Environmental Quality (ODEQ) to conduct remedial action at the Tar Creek hazardous waste site. This agreement funds the recipient's program to conduct remedial action activities at the Tar Creek hazardous waste site. This agreement is to fund the State of Texas' Water Quality Management Planning program to improve impaired water areas. This agreement is to fund the State of South Dakota Water Quality Management Planning program to improve impaired water areas. This agreement is supported by funding provided under the Infrastructure Investment and Jobs Act (commonly referred to as the "IIJA"). This grant agreement is supported by funding provided under the Infrastructure Investment and Jobs Act (commonly referred to as the "IIJA"). This agreement is to providing funding in the amount of \$194,000 to the State of South Carolina's Water Quality Management Planning program to improve impaired water areas. This agreement is to fund the State of Georgia's Water Quality Management Planning program to improve impaired water areas. This agreement is to fund the State of Nebraska's Water Quality Management Planning program to improve impaired water areas. This agreement is to fund the State of Colorado's Water Quality Management Planning program to improve impaired water areas. This agreement is to supplement funding to the State of North Dakota's Water Quality Management Planning program to improve impaired water areas. This agreement is to fund the State of Utah's Water Quality Management Planning program to improve impaired water areas. This agreement is to fund the State of Wyoming's Water Quality Management Planning program to improve impaired water areas. This agreement provides funding under the Inflation Reduction Act (IRA) to The Wampanoag Tribe at Gay Head, Aquinnah. The purpose of this grant is for the Beneficial Electrification League to conduct outreach to rural communities in the Midwest. The objective of this project is to help businesses in the automotive manufacturing sector improve their competitiveness. EPA's CERCLA Section 128(a) grant program funds activities that establish or enhance the capacity of state and tribal response programs. EPA's CERCLA Section 128(a) grant program funds activities that establish or enhance the capacity of state and tribal response programs. EPA's CERCLA Section 128(a) grant program funds activities that establish or enhance the capacity of state and tribal response programs. This agreement is to fund the State of Minnesota's Water Quality Management Planning program to improve impaired water areas. This agreement is to fund the State of Ohio's Water Quality Management Planning program to improve impaired water areas. This agreement provides funding under the Inflation Reduction Act (IRA) to the Confederated Salish and Kootenai Tribes of the Flathead Reservation. The primary objectives of EPA's CERCLA Section 128(a) State and Tribal Response Program grants are to provide financial resources and technical assistance to states and tribes. This Infrastructure Investment and Jobs Act (IIJA) project will provide technical assistance (e.g., information, training, tools) to the City of Jacksonville. This action approves \$67,340 in funding under the Inflation Reduction Act (IRA) to the City of Jacksonville. The purpose of this grant is to provide technical assistance to the Quapaw Nation. This Infrastructure Investment and Jobs Act (IIJA) project will provide technical assistance (e.g., information, training, tools) to the Quapaw Nation. This agreement provides funding under the Inflation Reduction Act (IRA) to Quapaw Nation. The purpose of this grant is to support the Quapaw Nation's efforts to restore and protect their lands. This agreement provides funding under the Inflation Reduction Act (IRA) to Kaw Nation. The purpose of this grant is to support the Kaw Nation's efforts to restore and protect their lands. Building on the successful roll out of Salmon-Safe in interior Columbia Basin tributaries in the first phase of EPA funding, this Infrastructure Investment and Jobs Act (IIJA) project will provide technical assistance (e.g., information, training, tools) to the Quinault Indian Nation. The primary objectives of EPA's CERCLA Section 128(a) State and Tribal Response Program grants are to provide financial resources and technical assistance to states and tribes. This agreement provides funding under the Inflation Reduction Act (IRA) to the Quinault Indian Nation to develop a demonstration project. The primary objectives of EPA's CERCLA Section 128(a) State and Tribal Response Program grants are to provide financial resources and technical assistance to states and tribes. This award is the result of a novation from South Carolina Department of Health & Environmental Control (SCDHEC). The primary objectives of EPA's CERCLA Section 128(a) State and Tribal Response Program grants are to provide financial resources and technical assistance to states and tribes. The primary objectives of EPA's CERCLA Section 128(a) State and Tribal Response Program grants are to provide financial resources and technical assistance to states and tribes. . The primary objectives of EPA's CERCLA Section 128(a) State and Tribal Response Program grants are to provide financial resources and technical assistance to states and tribes. Enables response actions at hazardous waste sites through oversight of remedial actions, and building program capacity. This agreement provides funding under the Inflation Reduction Act (IRA) to La Jolla Band of Luiseno Indians. The purpose of this grant is to support the La Jolla Band of Luiseno Indians' efforts to restore and protect their lands. This agreement provides funding under the Inflation Reduction Act (IRA) to the Morongo Band of Mission Indians. The purpose of this grant is to support the Morongo Band of Mission Indians' efforts to restore and protect their lands. This agreement provides funding under the Inflation Reduction Act (IRA) to the Pechanga Tribe. The purpose of this grant is to support the Pechanga Tribe's efforts to restore and protect their lands. The agreement provides funding to the San Carlos Apache Tribe to implement projects and activities that assist public water systems in the San Carlos Apache Tribe area. This Infrastructure Investment and Jobs Act (IIJA) project will provide technical assistance (e.g., information, training, tools) to the San Carlos Apache Tribe.

This Infrastructure Investment and Jobs Act (IIJA) project will provide technical assistance (e.g., information, training, tools, equipment, and other resources) to support the engagement of disadvantaged communities in the EPA roadshow work. This agreement provides funding under the Inflation Reduction Act (IRA) to the Saint Regis Mohawk Tribe. The purpose of this agreement is to fund the State of Montana's Water Quality Management Planning program to improve impaired water bodies. This agreement provides funding under the Inflation Reduction Act (IRA) to the Southern Ute Indian Tribe (SUIT). The purpose of this agreement is to fund the State of Utah's Department of Environmental Quality (UDEQ) with \$12,258,000. This Cooperative Agreement funds \$12,258,000 to the State of Tennessee's Water Quality Management Planning program to improve impaired water bodies. This grant agreement provides funding under the Inflation Reduction Act (IRA) to the Forest County Potawatomi Community. This Bipartisan Infrastructure Law (also known as the Infrastructure Investment and Jobs Act) funded grant project will provide funding to the Commonwealth of Pennsylvania's Water Quality Management Planning Program. The purpose of this agreement is to fund GreenRoots, a local nonprofit organization in Chelsea, MA. This cooperative agreement provides funding under the Infrastructure Investment and Jobs Act (IIJA) to the Mi'kmaq Nation to conduct remedial action activities at the Penta Wood Products Superfund Site. WDNR will perform Remedial Action Work at the Penta Wood Products Superfund Site, in Siren, Wisconsin May 1, 2022 & beyond. EPA's CERCLA Section 128(a) grant program funds activities that establish or enhance the capacity of state and tribal response programs to respond to releases of hazardous substances. EPA's CERCLA Section 128(a) grant program funds activities that establish or enhance the capacity of state and tribal response programs to respond to releases of hazardous substances. The primary objectives of EPA's CERCLA Section 128(a) State and Tribal Response Program grants are to provide financial resources to states and tribes to respond to releases of hazardous substances. This agreement funds the recipient's program to conduct Long Term Response Action (LTRA) at the Grants Chlorinated Solvent Site. This action approves an award in the amount of \$71,934 under the Clean Air Act (CAA) Grants under the Inflation Reduction Act (IRA). The primary objectives of EPA's CERCLA Section 128(a) State and Tribal Response Program grants are to provide financial resources to states and tribes to respond to releases of hazardous substances. This agreement funds a capitalization grant for the recipient's Clean Water State Revolving Fund (CWSRF) program. This agreement provides funding under the Inflation Reduction Act (IRA) to Pueblo to Sandia to develop or enhance environmental justice concerns. This agreement is to fund the State of Idaho's Water Quality Management Planning program to improve impaired water bodies. The purpose of this grant agreement is to conduct sampling activities on 194 Alaska Native Village (ANV) Public Water systems. This agreement provides funding under the Inflation Reduction Act (IRA) to Coeur d'Alene Tribe. The purpose of this agreement is to fund the Aroostook Band of Micmacs (Mi'kmaq Nation) to conduct remedial action at the McCormick and Baxter hazardous waste site. This agreement provides funding under the Inflation Reduction Act (IRA) to the Salt River Pima Maricopa Indian Community. In response to environmental justice concerns, Kappa House in partnership with Southern Illinois University Edwardsville Friends of Sausal Creek (FOSC) is planning a restoration project for William D. Wood Park (Wood Park) – a public park located in the City of Alton, IL. This action approves an award in the amount of \$398,803 to support the Florida International University's project to extend its wastewater treatment system. This agreement provides funding under the Inflation Reduction Act (IRA) to the Narragansett Indian Tribe to develop a new wastewater treatment facility. This agreement provides funding under the Inflation Reduction Act (IRA) to the Aroostook Band of Micmacs (Mi'kmaq Nation) to conduct ambient air monitoring of pollutants of greatest concern in their community. This agreement provides funding under the Infrastructure Investment and Jobs Act (IIJA) to the Penobscot Indian Nation to conduct ambient air monitoring of pollutants of greatest concern in their community. The purpose of this competitively selected grant is to conduct ambient air monitoring of pollutants of greatest concern in their community. This agreement provides funding under the Inflation Reduction Act (IRA) to the Aroostook Band of Micmacs (Mi'kmaq Nation) to conduct ambient air monitoring of pollutants of greatest concern in their community. EPA's CERCLA Section 128(a) grant program funds activities that establish or enhance the capacity of state and tribal response programs to respond to releases of hazardous substances. EPA's CERCLA Section 128(a) grant program funds activities that establish or enhance the capacity of state and tribal response programs to respond to releases of hazardous substances. This agreement provides funding under the Inflation Reduction Act (IRA) to Oregon Department of Quality (ODEQ). The purpose of this agreement is to fund Seminole County Public Schools under the Infrastructure Investment and Jobs Act (“IIJA”) (commonly referred to as the Bipartisan Infrastructure Law). This agreement is to fund the State of Rhode Island's Water Quality Management Planning program to improve impaired water bodies. The purpose of this competitively selected grant is to conduct ambient air monitoring of pollutants of greatest concern in their community.
